

Narration Starter Cards

Cut these out. Pull one after reading together, and let the conversation go wherever it goes.

1

Tell me what happened, from the beginning

2

What was the most surprising part?

3

If you were in the story, what would you have done?

4

What do you think happens next?

5

Explain that to me like I've never heard it before

6

What was one new word or idea?

7

Draw the part you remember best

8

What questions do you still have?

This is a conversation tool, not a legal requirement. There is no set way narration has to be done.
